

PILOT FIRST GRADE PROGRAM APPLICATION

2026/2027

This [Pilot First Grade Program](#) will launch the start of our elementary school with the commitment of 10 or more first grade students for the 2026/2027 school year. Our highly qualified educators and curriculum developers are currently preparing a curriculum that promises to provide your child with the proper age-appropriate academic rigor, with an emphasis on whole-child enrichment, while maintaining our well-known loving and intentional faith-based environment.

A couple of notes about the [Pilot First Grade Program](#):

- As is true with all of the programs at NCLS, the First Grade Program will operate at a one to ten teacher to student ratio.
- This program will require a minimum enrollment commitment from 10 students to meet the budgetary requirements and remain a viable and thriving program. All students must be committed, with registration and fees submitted, by December 19, 2025 to be included in the initial enrollment count.
- All fees must be paid at the time of registration and are non-refundable, unless the program does not move forward.
- If the program does not meet the minimum enrollment requirement requirement, then all fees will be refunded to the enrolled families.
- In full transparency, we want to let you know our expansion team is diligently working on expanding to the higher elementary grades in addition to the first grade. However, at this time we cannot guarantee that this will happen.

Prospective families will be informed of program confirmation by January 16, 2026.

WE LOOK FORWARD TO GROWING WITH YOU AND YOUR FAMILY!

FINANCIAL INFORMATION

New Covenant Lutheran School is a private Christian school and a mission of New Covenant Lutheran Church. Our early childhood campus has been open since 2005. All Kindergarten and Elementary students are eligible and encouraged to apply for scholarship funding through the Arizona Christian School Tuition Organization (ACSTO) and other statewide STO organizations. We also accept funding from the Arizona State Empowerment Scholarships.

The following fee and tuition schedule and timeline are the minimum expectation of each of our elementary school candidates. We find it highly important that financial constrictions do not prevent any child from attending our school. Therefore, should you have concerns about financial capability, you are encouraged to contact the Director to discuss your options. We look forward to welcoming your family into ours and beginning this new adventure together!
