

NEW COVENANT LUTHERAN SCHOOL

2026/2027 School Year Photo Release Form

Photographs and/or videos may be taken during the 2026–2027 school year at New Covenant Lutheran School during school-sponsored activities, events, programs, and camps (collectively, "school activities").

Annual yearbooks, classroom activities, student projects, classroom displays, and communications shared only with enrolled families through ProCare are considered internal school communications and are not affected by the permission selections below.

By selecting one of the options below, I acknowledge that New Covenant Lutheran School may photograph and/or record my child and accompanying family members during school activities for the 2026–2027 school year.

If permission is granted, I authorize the school to use these photographs and/or videos for school-related promotional, marketing, and communication purposes, including the school website, social media, newsletters, brochures, advertisements, and other school publications. Media will be used only for school purposes, will not be sold or licensed to third parties, and no compensation will be provided.

This authorization applies only to the 2026–2027 school year and may be revoked at any time by submitting a written request to the school. Revocation will apply only to future use and will not require the removal of media that was created or published before the revocation was received.

☐ I **grant permission** for New Covenant Lutheran School to use photographs and/or videos of my child and accompanying family members in external publications and marketing materials as described above.

☐ I **do not grant permission** for New Covenant Lutheran School to use photographs and/or videos of my child and accompanying family members in external publications and marketing materials as described above.
